

## Our Progress

Follow our journey to investing the first \$2.1 billion of our \$10 billion initiative and the first \$23 million of our \$100 million philanthropic commitment.

1. Our investment journey began with 60 listening sessions with 20,000 Black women and girls to learn more about challenges and opportunities where investment capital could make a difference.
2. As a result of these listening sessions, 2 new programs were created: *Black Women Impact Grants* and *One Million Black Women: Black in Business*.
3. Through these programs, Goldman Sachs made 137 investments in organizations, companies, and projects spanning 24 states and impacting 215,000 Black women.
4. We reached the first \$23 million of our \$100 million philanthropic commitment as a result of these new programs and investments.
5. \$2.1 billion of our \$10 billion investment goal reached in our first two years
